I would like to thank you for taking the time to review this information. We started with concessions at fairs and festivals in 1991. Since 2006, we have grown and expanded to provide families, companies, local government, schools, and charitable organizations with inflatables, games, concessions and more. We are a family owned and operated business located in Swanton. We are the largest/only party rental & inflatable rental company in the Greater Toledo area that is trained and certified in basic and advanced safe inflatable operation by the only organization that certifies companies in the United States. We pride ourselves on our exceptional level of customer service, and our rates are affordable. *We are also the only company in this area that posts all of our rates on our website.*

We provide the safest, cleanest, and most current inflatables for your special occasion. We're not just any Toledo area party rental business, but one that you can rely on for your next event/party. We regularly provide services to Schools & Churches, Fairs, Festivals, Corporations, Birthday Parties and Graduation Parties. Our prices include delivery, grassy setup, and takedown within 15 miles of our location. All of our units are thoroughly cleaned prior to every use. We are fully insured and licensed to do business in Ohio, Michigan and Indiana. We are members of the Safe Inflatable Operators Training Organization, Outdoor Amusement Business Association, Association of Inflatable Rental Company Owners, and many Chambers of Commerce in Northwest Ohio.

What makes us stand out from all of our competitors is that we have nice quality equipment capable of doing the small job of a bouncer, all the way up to your entire church or school event. We are trained and certified in safe operation and adhere to those standards and are dedicated to making your event a success. We are the only Greater Toledo area company that has packages designed specifically with you in mind to include prices and all the information you need to make your event a success on our website. Check out our school and church carnival packages on our website. We are your complete provider to include everything, including prizes!

You can find out more about us on our website www.MidwestCarnival.com or by calling 419-388-9858.

*Sincerely,
Sandie Zeller, Owner*

Announcing our new School, Church and Non-Profit Fundraising Program

We call this our Incentive Program, read to see why.

Are you looking for a way to raise funds or do fundraising/fundraisers without any investment? Then our incentive program is the fundraiser for you. This program will give you free equipment rentals or cash with no investment or effort on your behalf.

We will provide you with flyers to pass out to the parents of your children with a special offer included.

When your parents rent any equipment from us, you will receive either credit towards our equipment rentals or cash. You can change monthly too!

You can choose one of the following fundraising incentives: 1) 5% cash to be paid to your organization 2) 10% merchandise credit towards our equipment. You

could easily have your school or church carnival completely paid for by parents renting equipment from us without any cash outlay on your behalf.

This is open to any non-profit in the Greater Toledo area with no limit on the dollar amount. Credits expire 15 months from the date of the rental. Checks are issued after 30 days of the rental. For example, if your church joins our program and your parents rent a total of \$10,000 worth of equipment, your church will be sent checks totaling either \$500.00 or you will receive notice of a \$1000.00 credit.

You as the non-profit choose how you want to receive the rebate. And you can change monthly. So, let's say you are planning a school carnival in the Toledo area and have reached your fundraising credit goal with us, you can now begin receiving cash to use for whatever you wish.

This incentive plan can be used with the school and church carnival packages on their page and the family fun nights also! What a great fundraiser for your organization. Please fill out the form on our website to receive more information about this program and to start receiving your rebate!
